

## NEAR EAST UNIVERSITY CAMPUS LIFE

### WHY NEAR EAST UNIVERSITY?

Near East University combines success within a vibrant social environment, located in the most beautiful island in the Mediterranean. NEU was founded in 1988, and considered to be one of the most highly regarded academic institutions in the Middle East.

NEU offers world-class education to over **30,000 students** from over **134 countries**. Our modern and aesthetically designed campus provides a perfect environment for successful and forward thinking future graduates to pursue their goals.

With **20 Faculties, 220 departments, 5 Graduate Schools, 4 Vocational Schools and 32 Research Centres**, NEU offers a diverse selection of degrees that prepare our students for their careers. In addition to academic faculties, our university provides many other facilities including:

- Olympic Swimming Pool
- Near East Bank
- Cyprus Modern Art Museum
- NEU Sports Tower
- Dorana Tourism Centre
- Herbarium Centre
- Restaurants and Cafeterias
- Near East College

NEU is now the only academic institution in North Cyprus to offer education in both Dentistry and Medicine. Our Hospitals - accredited by the Joint Commission International (JCI) for Clinical Excellence - are also the only facilities in the Middle East region that offer such a wide range of training and research opportunities.

NEU is dedicated to promoting academic achievement and provides several scholarship opportunities to students, especially for Departments that are instructed in English. As a result, many of our students gain the right to have scholarships and can enjoy the benefits of the extensive educational opportunities that NEU has to offer.

#### NEU Hospital

NEU Hospital was established in 2010 to the highest possible medical standard. Designed to worldwide standards, the hospital boasts:

- 22 VIP rooms and 209 single patient rooms
- 8 operating theatres
- 30 intensive care units
- 17 newborn units
- Cutting-edge diagnostic imaging centre

#### NEU Grand Library

The NEU Grand Library is the largest and most comprehensive library in Cyprus and the Eastern Mediterranean region. The library is open to both university students/staff and the general public 24/7 and boasts over 350 million electronic and over one million printed materials. The Grand Library offers various facilities including group study rooms, 4 amphitheatres and a cafeteria.

#### Sports Tower

Becoming a healthy and fit person require good natural environment, healthy living, healthy food and daily physical exercises. All such things are available in The Sports Tower which include 9 floors with different special sports and training for all ages and special needs. Vitamin bar-café and Supplement Store provide special food programs and healthy products. Special discounts for all students is available. A full team of expert instructors for body building, fitness and aerobic programs is also available.

### We are the first and only University in North Cyprus that offers such facilities

#### Social and Cultural Activities

Students at NEU can benefit from many clubs and daily activities available on campus to enrich their social lives. In addition, Conferences and Symposiums are regularly held at both an international and national level with many international experts invited to participate. Students are welcome to attend these events that are commonly held at the Ataturk Conference & Cultural Centre on campus. This excellent facility comprises 4 fully equipped amphitheatres and a Congress Theatre.

#### Dorana Tourism

Dorana Tourism is one of the three establishments which carry out social activities within the structure of Near East Tourism and Travel Enterprises. It is a contemporary, dynamic and experienced tourism agency active in internal and external facilities in the field of tourism. The main concern is to provide affordable travel arrangements for students.

#### NEU Olympic Swimming Pool

Built to international standards, NEU Olympic Swimming Pool is the only one of its kind in Northern Cyprus and hosts many swimming events. NEU Olympic Swimming Pool has a multi-level diving tower, 1,000 seat spectator capacity and a cafe/restaurant overlooking the pool. Swimming courses are available to both the students and the general public.

#### Innovation Centre

NEU established its Innovation & Innovation Technologies Centre in 2007 in collaboration with IBM. The focal point of the Centre is the IBM Supercomputer that has 40 Terabyte memory and can process up to 17 trillion operations a second. The IBM Supercomputer is one of the most powerful in the world and has participated in significant scientific studies and global projects including:

- Help Conquer Cancer (World Community Grid)
- CERN Big Bang
- NEU Oil Price Forecast
- Bilkent Matrix Project
- FightAIDS@Home (World Community Grid)
- Nutritious Rice for the World (World Community Grid)

#### Museums

Communication Museum, Art Museum, Cyprus Car Museum and Herbarium Centre have been created within the Office of Museum, founded by NEU. These altogether aim to bring another dimension to the culture and art of TRNC and to meet the demands of students interested in these areas and also ensure a worthy and permanent contribution to the cultural-art accumulation of Turkish Cypriots. NEU Museums of Classic and Sports Cars was established in 2007 and has over 140 vehicles on display.

#### Animal Hospital

The Near East University Animal Hospital is the first and only animal hospital of TRNC and it aims to offer a broad-range of treatment options and provide definite and permanent solutions for health problems of our beloved pet animals who are also members of our homes.

#### Accommodation

NEU Campus offers dormitories for over 5,000 students. Student rooms vary depending on the category; however, most rooms are centrally air-conditioned with free electricity, water and cleaning facilities. Short-term visitor accommodation is also available in our Guest House on campus.

#### Transportation

A free weekday shuttle service is available between the NEU campus, Nicosia city centre and city of Kyrenia. In addition, a complimentary bus service is available from Ercan Airport to NEU campus for all new NEU students arriving in North Cyprus.

#### Near East Bank

Established 18 years ago as part of Near East Group, Near East Bank continues to increase its market share in all fields it operates through the efficient and sustainable growth strategy it adopts. It offers a wide range of services to all our students giving them the convenience to carry out international banking services throughout the world.

#### TRNC's First Domestic Automobile: GÜNSEL

Dr. Suat Günsel, the founding Rector of Near East University had a fifty-year-old dream of producing his own automobile, a dream which has now successfully been brought to life through the creation of his own automobile under the brand name of "GÜNSEL". Today, with the announcement of the Günsel production facilities, significantly moves us towards TRNC producing, developing and exporting high-tech automobiles.
